Coaches are scheduled for weeks indicated. If you need/want additional coaching sessions please let us know and coordinators can be present.

Feel free to sit in anytime you want to watch or familiarize yourself with the system.

Please plan to be at your assigned Mass early (see timeframes above), as the system needs to be turned on and the Hotspots need to be started before Mass.

If you can not cover your assigned mass, please use the team list on the back of this schedule to email and call to arrange for another volunteer to cover the mass and let M.A. know who will be covering. If you are unable to get coverage **AFTER** making calls for help, then let M.A. know.
